

Please complete this form if you wish to transfer shares you hold into your EQi Flexible Stocks & Shares ISA.

ISA regulations do not allow shares to be placed directly into an ISA unless they are coming out of an eligible savings scheme. To move your shares into your ISA the shares will first be placed into your Dealing Account and sold, the sale proceeds will be transferred to your ISA and then the same shares will be repurchased within your ISA.

This means that commission will be charged on both the sale and the repurchase of your shares. In addition, 0.5% Stamp Duty Reserve Tax will be charged on the purchase. Any trade of over £10,000 will also incur a PTM levy charge. Please be aware that the sale of shares is a disposal for Capital Gains Tax purposes. Your shares will be sold and repurchased at different prices due to the bid/offer spread in the market.
