2. Identifying your National Identifier

Once you have established your **primary nationality**, you must provide us with the relevant **National Identifier** details as requested in the table, in the order of priority as indicated in each field. - *If you have established your **primary nationality** as one of the following countries, **Estonia, Spain, Iceland, Italy, Malta or Poland** and you are unable to provide a National Identifier as requested, **trading rules will prevent us from accepting your instruction to trade or transfer.**
